

## **ALLTRAX BLUETOOTH MODULE: FOR IMMEDIATE RELEASE 12/16/2019**

The new **ALLTRAX BLUETOOTH MODULE** connects your smart phone to access data, gauges, and monitor performances for your XCT motor controller or the NEW **REACTOR® Alltrax Lithium Systems**.

The ALLTRAX BLUETOOTH MODULE (ABM) is also backwards compatible to ALL XCT and BMS units built to date. These units use a CAN BUS interface to transfer data, monitor performance, or update the software.

So ... if you purchased your Alltrax XCT motor controller years ago, a simple XCT software update and it's Bluetooth® Compatible!

ABM Includes its own power supply for our 36V, 48V, and 72V XCT controllers. When used with our BMS Lithium Systems, the BMS powers the Alltrax Bluetooth Module.

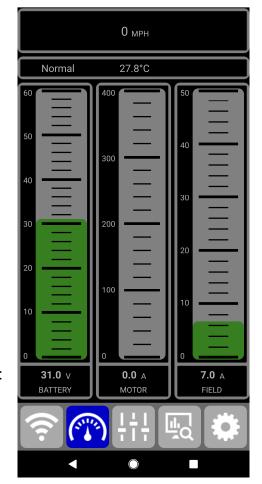

Presently the Android version is on our Alltrax Google Play store: The IOS Apple version will be available early 2020. (Not compatible with SR series or NCT controllers)

Available: Pre-orders: 12/16/2019, Early ships 12/20/2019.

**DEALER Pricing: \$94.00** 

LIST Pricing: \$189.00
